

Identifying Child Sex Trafficking in South Carolina

A Self-paced Online Training

Who should attend: Law enforcement officers & other child-serving professionals

Overview: This self-paced online training, designed with input from law enforcement officers, focuses on identifying child sex trafficking in South Carolina. This training will provide a basic overview of the South Carolina child sex trafficking law, prevalence of child sex trafficking, risk factors and red flags of child sex trafficking, and resources to assist with your response to child sex trafficking.

There is no charge for this training.

Continuing Education Credits: 0.75 hour of continuing education credit has been approved by the South Carolina Criminal Justice Academy for law enforcement officers.
